

Birds & Brew

January 12th - 14th, 2024

Has winter got you down? Is cabin fever beginning to set in?

Then join the staff of the Nature Inn at Bald Eagle State Park for an exciting winter package full of birds, brew, and everything local!

On Friday evening, guests will kick off their stay with a delicious dinner at the Nature Inn. After dinner, there will be a tasting event with local spirits. Once everyone tries a few samples and picks out a favorite, guests will learn the art of wildlife painting during an instructed paint class.

Following a hearty breakfast Saturday morning, a Winter Bird Walk will take you along the trails of Bald Eagle State Park and introduce you to common winter bird species and the tools birders use to identify them. To warm up, lunch will feature another tasting event from a local brewery. Then, we will spice up the afternoon with a short road trip to historic Bellefonte, where guests will receive a private tour of the nation's first "green" distillery at Big Spring Spirits. Following the tour, dinner will await within the comfort of the Nature Inn.

To round out your stay, wake up early and join the park naturalist for a Sunday Morning Birding Tour and explore the park one last time before checking out and concluding the weekend.

Please call the Nature Inn at 814-625-2879 to make reservations.
