

Adult Summer Camp

August 11 – 13, 2023

Summer camp isn't just for kids! Experience the unique comforts of the Nature Inn and Bald Eagle State Park while enjoying some fun-in-the-sun and refining your outdoor skills!

After arriving at the Nature Inn on Friday, you will begin by meeting park naturalists to discuss the weekend's plans. After the meeting, a hearty dinner will be served on the patio of the Nature Inn in the shadow of a breathtaking view of Foster Joseph Sayers Lake. To end the day, the group will gather around the campfire for a night-time program.

Saturday will be spent enjoying all the best outdoor recreation activities Bald Eagle State Park has to offer. We will be learning how to shoot archery, trying our hand at fishing, and more! Also packed into your fun-filled day will be a delicious lunch and dinner provided by the Nature Inn. After dinner at the Inn, you can take the time to explore Bald Eagle State Park or other local attractions on your own!

On Sunday the early bird gets the worm—or the early visitor sees the bird! After a hot breakfast, we will conclude the weekend with a morning bird watching session.
